

**Unfaded (Faded Duet, #2)** The epic conclusion to the FADED duet... They warned me not to get too close. Too bad I didn't listen. Enter a star's orbit, it'll burn you down to ashes before you know what's happened. And he was the most beautiful star in the night sky. Singed beyond repair, I left Los Angeles behind. Left him behind. But I was kidding myself if I thought a few thousand miles of space would erase my memory. And I was plain stupid if I thought he'd let me go without a fight. They say the brightest stars burn out the fastest. But the strongest loves don't ever fade. UNFADED is the final installment of a sexy, emotional duet about a jaded rock star and a starry-eyed songwriter. Due to sex, drugs, and rock & roll, it is recommended for readers ages 16 and up. ...more Unfaded (Faded Duet, #2) PDF ebook
